1. Päevakeskuse kirjeldus

- ✓ Milliseid pakumisi asutus pakub (laste vanus, vanemate sihtrühm jne):

Kita Clarino is bilingual (German-English) day-care. There are 2 groups: one with 12 children (1-3 y) and the other with 20 children (3-6 years). There is also music and physical activities for children.

- ✓ Vedaja omadused (e.B. Eravedaja; Munitsipaalasutus; Kirik; jne)

This is the private kindergarten

- ✓ Kuidas sponsorit rahastatakse?

Families are paying the special activities (music and physical activities) and organic food, the rest is covered by the Bernina Senat.

- ✓ Millises tegevusvaldkonnas te praktika lõpetate? e.B. laste vanuseline struktuur)

I worked in a group of children aged 3-6

2. Minu motivatsioon töötada oma riigi päevakeskuses koolitajana:

- ✓ Miks sa selle elukutse valisid?

I wanted to do something that matters. And to be a kindergarten teacher is the way to make a better world ☺

- ✓ Miks sa valisid päevakeskuse sisse..... Otsustas?

I chose this kindergarten because it was a newly completed kindergarten. To be part of something from the first beginning - it seemed very inspiring

- ✓ Kuidas oli kandideerimis- ja valikuprotsess Realiseeritud?

At that time (2008), there was a great shortage of kindergarten teachers in Tartu. Which probably why I was hired as a still-learning teacher

3. Minu ootused praktikale

- ✓ Mida soovisite õppida lasteaia praktikast?

I would like to get more ideas about how a kindergarten works

- ✓ Mida sa juba teadsid hosiipilaste päevakeskusest enne reisi algust?

I knew it was a bilingual kindergarten. I researched information about number of children and groups on the kindergarten website

Minu tööülesanded

- ✓ Ülesannete ja konkreetsete tegevuste nimetamine ja kirjeldamine

I played with preschoolers when younger ones had a nap
I went to the woods with preschoolers where they took photos for the project. I participated in activities of the morning circle.
I helped the children bring the food to the table

- ✓ Vajadusel probleemide ja nendega seotud lahenduste mainimine (e.B keel; muu)

In communicating with children I would have liked to understand and talk to them more

- ✓ Milliste ülesannetega saite iseseisvalt töötada?

Caring for children when teacher had a lunch break or was somewhere else for some minutes.

- ✓ Kuidas oli koostöö kolleegiga internatuuri ajal?

The kindergarten staff were very kind and answered all my hundreds of questions

Töötingimused

- ✓ Kuidas su tööaeg oli?

M, Tu 8:45 - 15:30
W, Th 8:45 - 12:30

- ✓ Kas töötingimustes oli eriomadusi?

as an intern, I felt a pleasant working environment

Pedagoogika ja digi

- ✓ Millist sisu ja meetodeid olete lastega pedagoogilises töös eriti märganud võrreldes oma asutusega? - Mis erineb kodust?"

At the Clarino kindergarten I noticed more support for children's social and personal skills than in our kindergarten

- ✓ Milliseid teadmisi saite lastega digiõppest?

I saw great activities for the benefit of children, where children get their first acquaintance in the digital world

- ✓ Hindame rajatise digiteerimise seisu skaalal 1-10 järgmistes valdkondades:

o Side 1|2|3|4|5|6|7|8| 9|10

o Organisatsioon/juhtimine 1|2|3|4|5|6|7|8| 9|10

o Pedagoogiline töö lastega 1|2|3|4|5|6|7|8| 9|10

- ✓ Kas praktikanädalal oli erifookusprojekt?

There was a theme about FEELINGS and digital project to introduce the Clarino kindergarten

Bülletään

✓ Tüüpilise tööpäeva kirjeldus

In the morning I took part in the childrens activities later I stayed outside with the children until lunch. I helped with the delivery of the lunch. I played with preschoolers when younger ones had a nap. Then there was a little snack before going out again and then I was with children till their parents came to pick them.

Lõpp

Praktika hindamine

✓ Mis sulle praktika juures eriti meeldis?

I liked it when I asked the kindergarten colleagues what their expectations were of me, they replied that I would feel good here ... and that's exactly what it was like ☺

✓ Kuidas te igapäevaeluga toime tulite, eriti keelebarjääridega?

The most difficult thing was to deal with the public transport system in Berlin... but in the end I got all the moves I wanted

✓ Mis oli asutuse igapäevases töös teistsugune kui teie päevakeskuses?

The language barrier was not a major barrier to communication

Praktika | peegeldus Märkused tulevaste praktikakohtade kohta DISEM-projektis

✓ Kas teie ootused on täidetud, ületatud või pettunud ja miks?

I am very grateful for the internship. It was a great opportunity to get an overview of kindergarten in Germany and also in the Czech Republic

- ✓ Mis tähtsust oli praktikal teie jaoks isiklikult?

Provided an excellent opportunity to experience different attitudes and broaden one's horizons on primary education

- ✓ Milliseid ideid ja tööviise viite tagasi lasteaeda, kus te töötate?

* Child portfolio
* to let children to have their own experience
* lot of special tips for kindergarten work

- ✓ Millised ideed on teil tulevaste praktikakohtade jaoks, mida DISEM teostab?

To enable so practicant take part in special day activities in kindergarten to get overview of all teachers work.
